

Brief note:

Because of Tropical Storm Helene, which hit WNC on 27 September 2024, with devastating winds and rain, normal activity at UU Asheville ceased—no gatherings, no meetings. Utilities were disrupted, with some slow to return.

The congregation resumed worship with single services on Sunday, Oct. 6 which were recorded and are available via the YouTube channel. Live streaming resumed on Sunday, Oct. 27, also via YouTube.

The Board resumed meeting in November.
